We're going to get it done. Find out how!

CVSOS is a newly formed non-profit entity comprised of over 200 community members, created to preserve the CV airfield land for emergency services staging and as open space.

Rick Hawley, Greenspace's founding executive director, is now their Property Manager, overseeing 16 permanently protected properties in Cambria. Hawley also organized numerous neighborhood fundraising campaigns to purchase parcels now serving as wild areas, pocket parks, and cultural resources.
